

Please accept our invitation to join us in our upcoming Health and Safety Fair. The goal of this event is to connect and serve our local communities, and to provide a means of awareness to the services that are available to assist them in their day to day lives in the areas of health, safety and social issues. This event will be an opportunity for you to introduce your services to the local community and connect with them on an individual basis. We expect individuals from every corner of the county and others seeking to gain knowledge as to what is offered here in Bartow County. As an exhibitor/vendor, we are asking your organization to provide educational information, free samples, screenings or general information about your organization. Participation is free, though a monetary donation (no specific amount) is suggested to the Bartow County Shop with a Hero program. With this being the fifth year of having the Health and Safety Fair, we are expecting it to be an annual event and your participation will help make it a success. Details of the event are listed below, thank you and see you there.
